**YEAR(S):**

2003

**Martin, Ed**

---

**To:** David Bays (E-mail)  
**Subject:** Hampton Arroyo

El Paso's sampling plan for Hampton Arroyo near the yard currently operated by Sunland Construction is approved.

As stated in your letter of February 12, 2003, please provide sampling results to NMOCD upon receipt from the laboratory.

OCD's acceptance of this plan does not relieve El Paso of any liability if the proposed sampling plan reveals contamination nor does it relieve El Paso of its responsibility for compliance with any other federal, state or local laws and regulations.
