Stephen Weathers – DCP Midstream

Dear Stephen,

The Oil Conservation Division (OCD) has received and reviewed the two separate reports (parts 1 and 2) on this location and circumstance, the following:

OCD concurs with the findings and recommendations as outlined in the reports. Please continue with site activities as per agreements. Also, please keep a copy of this communication, as no PAPER copy will follow. Thank you for your efforts.

Sincerely,

Bradford Billings

OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to ground water, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, local laws and/or regulations
