Deferral Request Mis Amigos State #108H 1RP-5667

Mr. Littrell,

OCD has received your Deferral Request for Mis Amigos State #108H 1RP-5667, thank you. The areas requested for deferral are identified on the site map -Figure 3- as SW04, SW05 and SW06. The areas have been delineated and documented in the report as follows:

- Sample SW04 is delineated vertically to a depth of six feet bgs by floor sample FS01 and laterally by borehole BH02 located 20 feet to the south,
- Sample SW05 is delineated vertically by floor sample FS03 and borehole BH08. It is delineated laterally to the east by east by BH04, to the south by BH03, to the west by BH07, and to the north by BH06,
- SW06 is defined vertically by floor sample FS03, laterally to the west by delineation borehole BH07 (five feet to the west), and to the south by delineation borehole BH03 (10 feet to the south).

At this time, OCD approves this deferral request. Remediation Permit Number 1RP-5667 will remain open in the OCD database and reflect an open environmental issue.

Regards,

Victoria Venegas

OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to groundwater, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, or local laws and/or regulations.
