Subject: [EXT] Extension Request (nRM2010837524) WP Byrd

Good Evening,

I apologize, but I need to request an extension for this release as well. The one call will clear Thursday, July 9, 2020. It will not clear until that evening though so we will complete the delineation phase of the release on Friday, July 10, 2020. Apache is requesting an extension of 2 weeks. Due to COVID restrictions we have been delayed and are completing the delineation process as quick as possible. We hope that you will look favorably upon this request.

Thanks,
