Subject: RE: NRM2006358923: Airstream Central Tank Battery - 48-hr Notification of Confirmatory Sampling (Landfarm)
Date: Tuesday, October 13, 2020 12:07:31 PM

Thank you for the sampling notification for NRM2006358923 Airstream Central Tank Battery. If there is any change in the sampling time/date of October 15th, 2020 at approximately 10:00 am, please notify the OCD as soon as possible. Please not, if no OCD representative is onsite at the notified time, please continue per 19.15.29 NMAC.

Thanks,

Cristina Eads | 505-670-5601

Subject: [EXT] NRM2006358923: Airstream Central Tank Battery - 48-hr Notification of Confirmatory Sampling (Landfarm)

Please accept this email as 48-hr notification that confirmatory sampling will be conducted at Centennial's Airstream Central Tank Battery landfarm for the release, incident tracking #: NRM2006358923. These soils have been treated and turned over the past 100 days and are ready for testing and use as backfill.

The sampling will occur on Thursday, October 15th, 2020 at approximately 10:00 am. If you need directions to the site or have any questions or concerns regarding this notification, please give me a call at 303-882-4404.

Thank you.
