		to the best of my knowledge and understand that pursuant to OCD rules and	
		the notifications and perform corrective actions for releases which may endanger the OCD does not relieve the operator of liability should their operations have	
failed to adequately investigate and remediate contamination that pose a threat to groundwater, surface water, human health or the environment. In addition, OCD acceptance of a C-141 report does not relieve the operator of responsibility for compliance with any other federal, state, or local laws			
and/or regulations.	a C-141 report does not reneve the opera	tor or responsionity for compniance with any other rederal, state, or local laws
