Was this a major	If YES, for what reason(s) does the	ne responsible party consider this a major release?							
release as defined by	I								
19.15.29.7(A) NMAC?									
☐ Yes ☐ No									
If VES was immediate no	otice given to the OCD? By whom	? To whom? When and by what means (phone, email, etc)?							
11 125, was immediate in	whom	. To whom: When and by what means (phone, eman, etc).							
Initial Response									
The responsible p	party must undertake the following actions i	immediately unless they could create a safety hazard that would result in injury							
☐ The source of the rele	ase has been stopped.								
The impacted area has been secured to protect human health and the environment.									
Released materials have been contained via the use of berms or dikes, absorbent pads, or other containment devices.									
All free liquids and re	ecoverable materials have been rem	loved and managed appropriately.							
<u> </u>	d above have <u>not</u> been undertaken,	<u> </u>							
If an the actions accounts	1 doore have her been anderwhen,	explain why.							
		mence remediation immediately after discovery of a release. If remediation							
- 1		emedial efforts have been successfully completed or if the release occurred MAC), please attach all information needed for closure evaluation.							
	. , , , , , , , , , , , , , , , , , , ,	ete to the best of my knowledge and understand that pursuant to OCD rules and							
		lease notifications and perform corrective actions for releases which may endanger							
public health or the environm	nent. The acceptance of a C-141 repor	t by the OCD does not relieve the operator of liability should their operations have							
		ose a threat to groundwater, surface water, human health or the environment. In perator of responsibility for compliance with any other federal, state, or local laws							
and/or regulations.		,,,,,,,,
