Date: Thursday, April 29, 2021 3:29:00 PM

Dear Brittany,

I am reviewing the uploaded documents for the subject incident number and referenced in the letter from WSP USA is a second incident number. The second incident number, NRM2027647311, will not be reviewed until a second payment and the same report is uploaded again. One spill, one incident number and one fee for each, please.

Thank you.

Ramona
