Thank you, Ms. Marcus

I'm not sure if it is, but ETC Texas Pipeline will be fine to use because they're all the same & fall under the same umbrella.

Best,

Dear Ms. Lara,

I just reviewed and conditionally approved the C-141, incident number NAPP2109836159 for the subject Operator. Because you used ETC TX Pipeline OGRID, that is who the responsible party will be for the release. ETP Crude Oil does not have an OGRID number with our Division.

Is ETP Crude Oil LLC registered with the NM Secretary of State?

I am copying Daniel Sanchez, who oversees a team of OGRID numbers and you should contact him regarding ETP Crude Oil, LLC.
