Dear Ms. Rincon-Garcia,

I am preliminarily reviewing the subject incident number submitted by Safety & Environmental Solutions, Inc. on behalf of Strata Production Company. The incident was reported under the SESI OGRID number and I wanted to let you know that I have changed the OGRID number to reflect Strata Production Company, using OGRID #21712. Could you please communicate this to SESI representatives, please? They did not include an email or telephone number on the C-141 pages. Your contact information was available though.

Best regards,

Ramona
