		e best of my knowledge and understand that pursuant to OCD rules and tifications and perform corrective actions for releases which may endanger				
public health or the environm	nent. The acceptance of a C-141 report by the	OCD does not relieve the operator of liability should their operations have				
failed to adequately investigate and remediate contamination that pose a threat to groundwater, surface water, human health or the environment. In addition, OCD acceptance of a C-141 report does not relieve the operator of responsibility for compliance with any other federal, state, or local laws						
and/or regulations.	Ta C 171 report does not reneve the operator of	responsionity for compliance with any other reactar, state, or rocal laws
