RE: Closure of 1RP-4460/Incident nKL1627239908.

Following review of data base it was determined that the referenced site incident had been closed on older C-141, but had not been closed in OCD data base. This has been accommodated.
This incident number/release is now CLOSED in OCD data base. Please keep a copy of this communication, as no PAPER copy will follow. Thank you for your efforts.

Sincerely,

Bradford Billings
EMNRD/OCD

OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to ground water, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, local laws and/or regulations
