Mr. E. A. Utz, Gas Eng.
Oil Conservation Commission
Santa Fe, New Mexico

Dear Mr. Utz:

Upon your request of April 18th, we are
enclosing copies of well record Form C-105
on our #5 Mitchell gas well.

Please note that this well was drilled in 1943
and according to our records the drilling logs
were forwarded to the Oil Conservation Commission
at that time. However, drilling operations were
not performed during the writer's regime and he
is not acquainted with the procedures used then.

Yours very truly,

CARBONIC CHEMICALS CORPORATION
