Dear Sir -

We received your letter regarding forms
C102-103 but we have never cemented in
any casing to this date.

We have lowered our 8" as we drilled
and used same as a protective casing. To be
sure of everything, we have purchased a
string of 6" which we will continue to drill
there until such time that it is necessary
to cement off.

We will make proper application on
C-102 at that time. If we are wrong in
acting in form C-104 today, please advise.

Thanking you indeed for past favors
and regretting any trouble we might have
caused you, we remain

Truly Yours,

Cardinal Oil Company
