Letter to Michael P. Grace II
June 27, 1977

You are hereby directed to install tubing, maximum size to be no greater than 2 7/8-inch, in this well by August 1, 1977. Tubing perforations are to be set within 250 feet of the top of the pay.

Please contact the Oil Conservation Commission's district office at Artesia at least 24 hours before commencing work on the well.

Yours very truly,

JOE D. RAMEY
Director
