Mr. Grace:

A review of our files shows that the above captioned well has not been changed to Grace Energy. However, you are showing it on your Form C-115 for Grace Energy.

You will need to file a C-104 showing Operator Name Change so that it corresponds to the C-115. All of your wells are changed except for the one shown above.

We need the C-104 as soon as possible to avoid a mix-up in your files.

Very truly yours,
