Figure 1. The number of cases of COVID-19 in the United States and the number of deaths from COVID-19 in the United States, by date of onset of symptoms, by date of death, and by date of testing. The number of cases is shown in the top panel, the number of deaths in the middle panel, and the number of tests in the bottom panel. The x-axis represents the date of onset of symptoms, the date of death, and the date of testing. The y-axis represents the number of cases, deaths, and tests. The data is presented in a bar chart format.
