13. Describe proposed or completed operations. (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work). SEE RULE 19.15.7.14 NMAC. For Multiple Completions: Attach wellbore diagram of proposed completion or recompletion.

Legacy Reserves requests a 1-year temporary abandonment extension on the subject well. Due to budget limitations on capital spending for the remainder of 2014, we cannot perform planned work to return this well to production until 2015.

Our intent is to return this well to production in the 1st quarter of 2015. We presently have field procedures constructed and AFE's approved by working interest owners to perform this work
