OTHER: 13. Describe proposed or comp	leted operations. (Clearly state all	OTHER:	I give pertinent dates, including estimated date
of starting any proposed work). SEE RULE 19.15.7.14 NMAC. For Multiple Completions: Attach wellbore diagram of			
proposed completion or recompletion.			
We respectfully request permission to construct a small 15-bbl lined pit and perform a remedial cement job. We are planning			
to pump resin for a casing repair and need this pit to pump the resin in, should the well squeeze off. The resin would harden			
in a few hours and then be broken up and hauled off.
