13. Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recomplete horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompletion in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

ConocoPhillips Company respectfully submits this request to change the well name based on a recent commerciality determination.

The attached letter requests the word "Unit" from the well name. The new name will be SEM #161.

Production will be reported on a lease basis as requested by BLM.

Gentlemen:

Pursuant to your letter of January 15, 2015, this office concurs with your determination that the SEMU #161 completion is not capable of producing unitized substances in paying quantities.

This well's Tubb and Drinkard formation completion is therefore not entitled to be part of a Participating Area and production from this formation should be reported on a lease basis. Also, a Sundry shall be submitted to drop "Unit" from well name.

Under provisions of 43 CFR 3165.3, you may request a State Director Review of the decision described above. Such a request, including all supporting documents, must be filed in writing within 20 business days of receipt of this notice and must be filed with the State Director, Bureau of Land Management, P.O. Box 27115, Santa Fe, New Mexico 87502-0115. Such request shall not result in a suspension of the order unless the reviewing official so determines. Procedures governing appeals form instructions, orders, or decisions are contained in 43 CFR 2175.4 and 43 CFR Part 4.

Sincerely,
