Subject: GAS CAPTURE PLAN for 30-025-43426 GRAMA 8817 JV-P FEDERAL COM #002H

Hi Pam,

We have approved your completion paperwork for the above well. Please note we have not received your Gas Capture Plan form for the above well. Without a Gas Capture Plan on file the State of New Mexico can deny any future request to flare this well. Please submit the form titled Gas Capture Plan as soon as possible.
