13. Describe Proposed or Completed Operation: Clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports must be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 must be filed once testing has been completed. Final Abandonment Notices must be filed only after all requirements, including reclamation, have been completed and the operator has determined that the site is ready for final inspection.

The T/A status of the Lucy Federal #2 expires on January 19th, 2017. Read & Stevens, Inc. is waiting for the lease road to dry out going to the Lucy Federal #2 location to get a pulling unit on the well to commence workover operations to bring the well back on production. As soon as pulling unit is able to go down the lease road we will submit another sundry notice stating the same.

DENIED

Rejected. Operator did not meet conditions of approval for BLM TA status. Well has been out of compliance

14. I hereby certify that the foregoing is true and correct.
