13. Describe Proposed or Completed Operation: Clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports must be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 must be filed once testing has been completed. Final Abandonment Notices must be filed only after all requirements, including reclamation, have been completed and the operator has determined that the site is ready for final inspection.

EOR Operating Company requests approval of the Final Abandonment for the Horton Federal #31. All equipment, debris, and power poles have been removed and the site has been properly re-contoured and returned to its original surface.

EOR Operating Company also requests approval to remove the Horton Federal #31 well from the bond requirement.

14. I hereby certify that the foregoing is true and correct.
