Re: Request for Oil Allowable exception  
Horizontal Completion  
HAWK 26 FEDERAL # 702H 30-025-42395

EOG Resources, Inc. requests an exception to NMOCD Rule 19.50.20.9 regarding oil allowable. EOG requests permission to produce the project area assigned to the well listed above top depth bracket allowable to allow greater load recovery during flowback after frac stimulation.

Thank you for your consideration of this request. If additional information is needed, please contact me at 432 686-3658.

Sincerely,

EOG Resources, Inc.
