

- 4644 4649 Gray to white calcitic limestone, little white dense shaley limestone, tan to white anhydritic limestone
- 4654 Tan to buff anhydritic limestone and gray calcitic dense slightly cherty limestone
- 4669 Tan to buff anhydritic limestone and gray calcitic dense slightly cherty limestone
- 4674 Tan to buff anhydritic limestone and gray calcitic dense slightly cherty limestone
- 4679 Gray to buff dense limestone, little tan to gray anhydritic limestone
- 4684 Gray to buff dense limestone, little tan to gray anhydritic limestone
- 4689 Gray to buff dense limestone, little tan to gray anhydritic limestone
- 4694 Gray to buff dense limestone, little tan to gray anhydritic limestone
- 4699 Gray to buff dense limestone, little tan to gray anhydritic limestone
- 4704 Gray and little white dense limestone, little tan to gray anhydritic limestone
- 4709 Missing
- 4714 Gray and little white dense limestone, little tan to gray anhydritic limestone, trace crystalline anhydrite
- 4719 Gray and little white dense limestone, little tan to gray anhydritic limestone, 5% crystalline anhydrite
- 4724 Gray and little dense limestone, little white sandstone
- 4729 Gray and little white dense limestone 85%, well-rounded, little subangular clear sandstone 15%
- 4734 Buff dense and tan anhydritic limestone 80%, white, clear sandstone 5%, crystalline anhydrite 15%
- 4739 Buff dense and tan anhydritic limestone 80%, white clear sandstone trace, crystalline anhydrite 20%
- 4744 Buff dense and tan anhydritic limestone 75%, white clear sandstone trace, crystalline anhydrite 25%
- 4749 Buff dense and tan anhydritic limestone 65%, white clear sandstone trace, crystalline anhydrite 35%
- 4754 Buff dense and tan anhydritic limestone 70%, white clear sandstone trace, crystalline anhydrite 30%
- 4759 Buff dense and tan anhydritic limestone 55%, white clear sandstone trace, crystalline anhydrite 45%
- 4764 Buff dense and tan anhydritic limestone 75%, massive and crystalline anhydrite 25%, white clear sandstone trace
- 4769 Buff dense and tan anhydritic limestone 65%, massive and crystalline anhydrite 35%, white clear sandstone trace
