Dear Mr. O'Quinn:

Please refer to your letter of March 7, 1957 regarding the reserve pit at your State of New Mexico "D" No. 1 in Section 31, T-10-S, R-33-E.

This is to advise you that it will be necessary for you to submit to this office a written notarized release from the surface lessee before approval can be made of the plugging.

Yours very truly,

OIL CONSERVATION COMMISSION

HOBBS, NEW MEXICO

Dear Sir:

Enclosed for you are
two copies of the
report of the
committee on
oil conservation.

Very truly yours,

I am sure that you will find the report of the committee
of great interest and value. It is a comprehensive
study of the oil resources of the State and the
measures which should be taken to conserve them.

It is very important that you should read this report
and see that the measures suggested are carried out.
The oil resources of the State are of great value
and it is essential that they should be conserved
for the benefit of the State and the Nation.

Very truly yours,

Oil Conservation Commission
