## 17. DESCRIBE PROPOSED OR COMPLETED OPERATIONS (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)

This well was converted to water injection by the following procedures. Verbal approval to convert this well was given by Mr. Gordon on February 17, 1969. Cleaned out open hole from 3959' to 3965'. Drilled out cast iron bridge plug at 3965'. Drilled new hole from 3965' to 4088'. Ran Gamma Ray/Neutron and Caliper log. Ran 2 3/4" fiberglass tail pipe on bottom of 2 3/4" cement lined tubing w/ packer set at 3984'. Displaced annulus w/ treated water. Placed well on injection. Tested by injecting 400 barrels water at 100# in 24 hours, on 8-18-69.

## 18. I hereby certify that the foregoing is true and correct
