AND WAR

This form shall be executed and filed in quadruplicate with the Oil Conservation Commission at Santa Fe, New Mexics), covering each unit from which oil is produced. A separate certificate shall be filed for each transporter authorized to transport oil from a unit. After said certificate has been approved by the Oil Conservation Commission, one copy shall be forwarded to the transporter, one copy returned to the producer, and two copies retained by the Oil Conservation Commission.

A new certificate shall be filed to cover each change in operating ownership and each A new certificate shall be filed to cover each change in operating ownership and each change in the transporter, except that in the case of a temperary change in the transporter involving less than the allowable production for one month the operator shall, in lieu of involving less than the allowable production for one month the operator shall, in lieu of involving less than the allowable production for one month the operator shall, in lieu of involving less than the allowable production for one month the operator shall, in lieu of involving less than the allowable production for one month the operator shall, in lieu of involving less than the allowable production for one month the operator shall, in lieu of involving less than the allowable production for one month the operator shall be allowable production for one month the operator sh filing a new certificate, notify the Oil Conservation Commission at Santa Fe, New Mexico, and the transporter authorized by certificate on file with the Commission, by letter of the estimated amount of oil to be moved by the transporter temporarily moving oil from the unit and the name of such temporary transporter and a cepy of such notice shall also be furnished such temporary transporter Such temporary transporter shall not move any more oil than the estimated amount shown in said notice.

This certificate when properly executed and approved by the Oh Conservation Commission shall constitute a permit for pipe line connection; and authorization to transport oil from the property named therein and shall remain in full force and effect until

(a) Operating ownership changes BUL

Control Styles A

- The transporter is changed or
- (c) The permit is candelled by the Commission

If any of the rules and regulations of the Oil Conservation Commission have not been complied with at the time this report is filed, explain fully under the heading "REMARKS."

In all cases where this certificate is filed to cover a change in operating ownership or a change in the transperter designated to move oil, show under "REMARKS" the previous owner or operator and the transporter previously authorized to transport oil.

A separate report shall be filed to cover each producing unit as designated by the Oil Conservation Commission.
