Re: Application for Permit to Drill
Chevron State #1-E
Section 8, T16S, R33E

Gentlemen:

The above application was submitted with a field designation of SE Anderson Ranch with 80 acres dedicated. You will notice that we have changed the field designation to North Sanmal Penn since your location is within 1 mile of this pool. This pool is on 40-acre spacing.

If you have questions concerning this change, please feel free to contact Evelyn Downs of this office.

Very truly yours,

OIL CONSERVATION DIVISION
