RE: John S. Williams
NE NE 31-17S-33E

Dear Roy:

Would you please check your records to see whether Mr. Williams has plugged his well in section 31, T.17 S., R.33 E. He intended to plug the first well and skidded 330 feet to make a new location known as 1-X.

We would appreciate your attention so that the bond may be cancelled.

Very truly yours,

R. R. Spurrier
Secretary and Director
