**Re: Agua/Petro Tran - Corbin-Abo #31
API No. 30-025-01337**

Dear Scott:

In order to secure approval of this transfer, please file a new C-104a signed as of current date by an officer (identified by title) of the company (Petro-Tran), and identifying, either on the form, or in a separate, accompanying letter, the working interest owners of the well.

We understand that this information is not ordinarily required, but it is a matter of public record and therefore cannot be considered confidential. Also, this approval is not routine, but is based specifically on representations made to us at our earlier conference.

Should you have any questions, please call me at (505)-476-3450.

Very truly yours,

David K. Brooks
Assistant General Counsel
