Dear Mr. Barnes:

In reply to your letter of February 4 requesting approval of production into a common tank battery from the Corbin and Maljamar Pools, on both Mr. Cockburn's Wyatt-Phillips and Cockburn-Federal leases. Due to a stenographic error the Wyatt-Phillips lease was overlooked when approval was given.

Please consider this your approval to produce from these leases into a common tank battery as set out in your letter of January 14, 1953.

Very truly yours,

R. R. Spurrier
