In re: Leamex Well No. 5
Unit O, 25-17S-33E,
Vacuum Pool

New Mexico Oil Conservation Commission
P. O. Box 2045
Hobbs, New Mexico

Attention: Mr. A. O. Porter

Gentlemen:

Confirming our conversation of February 27, 1956 concerning the production from the subject well, this is to advise that oil is received from this well into two 210-barrel tanks located near the well, measured daily and trucked to a central tank battery on this same basic lease.

Very truly yours,
PHILLIPS PETROLEUM COMPANY

W. A. Roberts
