Attention: Mr. R. F. Montgomery
Proration Manager

Gentlemen:

At the time we filed Form C-101, Notice of Intention to Drill, for our Carper State 14 - 3, in unit N of Section 14, T-18-S, R-33-E., we were planning to move from the 14 - 2 location to this location.

The State 14-2 was perforated and sandfraced twice and we still don't have our load and flush oil back. We are now deciding whether to re-treat or not. The reports will be filed on the number 2 when it is completed.

Yours truly,

CARPER DRILLING COMPANY, INC.
