Gentlemen:

Mr. W. A. Gressett, Oil & Gas Inspector for the Commission, has made an inspection of the location for your State H No. 1 in Unit N of Section 15, T-19-S, R-33-E and has found that the marker is not cemented and the quarter quarter section is not inscribed on it as required by the Commission Rules and Regulations.

Please advise this office when these things have been done so that a final inspection may be made.

Yours very truly,
