## REMARKS:

This is not a new completion but a correction of C-110 approved February 14, 1952.

The Pipe Line should have been shown as Texas-New Mexico instead of Service Pipeline Company.

The undersigned certifies that the rules and regulations of the Oil Conservation Commission have been complied with except as noted above and that gathering agent is authorized to transport the percentage of oil produced from the above described property and that this authorization will be valid until further notice to the transporter named herein or until cancelled by the Oil Conservation Commission of New Mexico.
