ROSWELL, NEW MEXICO

Nov. 5, 1949.

Mr. Roy Yarbrough,
Oil & Gas Inspector,
New Mexico Oil Conservation Commission,
Hobbs, New Mexico.

SUBJECT: Barnett & Hanson (Permian O. Co.)
No. 1-B State,
NW $\frac{1}{4}$ NW $\frac{1}{4}$ Sec. 19, T. 17 S., R. 35 E.,
Lea County, New Mexico.

Dear Mr. Yarbrough:

On April 10, 1949, we submitted to you a "Report on Result of Plugging" the above well. Shortly afterwards, you informally advised that approval of the report was being held in abeyance, pending the leveling of the pit.

The pit has now been leveled and the location cleaned up. At your early convenience, we would appreciate your inspection of the location, and if satisfactory, your approval of the plugging and abandonment.

Yours very truly,

PERMIAN OIL COMPANY
