mission at Santa Fe, New Mexico, covering each transporter authorized to transport oil from a tent arate certificate shall be filed for each transporter authorized to transport oil from a unit. After said certificate has been approved by the Oil Conservation Commission, one copy shall be forwarded to the transporter, one copy returned to the producer, and two copies retained by the Oil Conservation Commission.

A new certificate shall be filed to cover each change in operating ownership and each change in the transporter, except that in the case of a temporary change in the transporter involving less than the allowable production for one month the operator shall, in lieu of filing a new certificate, notify the Oil Conservation Commission at Santa Fe, New Mexico, and the transporter authorized by certificate on file with the Commission, by letter of the estimated amount of oil to be moved by the transporter tereporarily moving oil from the unit and the name of such temporary transporter and a copy of such notice shall also be not a copy of such notice shall also be not not such temporary transporter and a copy of such notice shall also be not not such temporary transporter and a copy of such notice shall also be not not such temporary transporter and not move any notice of live moisson that the estimated amount smooth in said moisson of the notice of

This certificate when properly executed and approved by the Oil Conservation Commission shall constitute a permit for pipe line connection and authorization to transport oil from the property named therein and shall remain in full force and effect until

(a) Operating ownership changes

The transporter in changed or

(c) The permit is cancelled by the Commission

If any of the rules and regulations of the Oil Conservation Commission have not been complied with at the time this report is filed, explain fully under the heading "REMARKS."

In all cases where this certificate is filed to cover a change in operating ownership or a change in the transporter designated to move oil, show under "REMARKS" the previous owner or operator and the transporter previously authorized to taxable oil.

A separate report shall be filed to cover each producing unit as designated by the Oil Conservation Commission.
