Gentlemen:

In checking our records we find that no forms have been submitted for your Weiner No. 1 located in Unit G of Section 16, T-20-S, R-32-E, Lea County, New Mexico since 1952, although apparently the well is no longer producing.

At your earliest convenience please submit Form C-103 for this well showing the present status and future plans for the well.

Yours very truly,
