Gentlemen:

Enclosed are Forms C-104, C-110 and C-126 and electric log covering completion of above-referenced well. Copies of U. S. G. S. Forms 9-331-A and 9-330 are being mailed to the U. S. G. S. office in Artesia, with the request that they forward two copies of each to you.

We request you tender 238 barrels frac oil, which is now in the tanks waiting on pipeline connection, and assign top allowable to this well.

Yours very truly,
