Temporary Suspension of

production

(NOTE: Report results of multiple completion on Well Completion or Recompletion Report and Log form.)

17. DESCRIBE PROPOSED OR COMPLETED OPERATIONS (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

Current authorization to suspend production expires November 30, 1993.

Operator purchased well in April, 1993 and immediately requested and received BLM authority to temporarily suspend production through November 30, 1993.

Operator has not had the opportunity to adequately analyze information received to date on said well and requests an additional 1 month period in which to address the options available to bring well back on production.

Lease will terminate unless production is established by 12-31-93.

APPROVED FOR 1 MONTH PERIOD
ENDING DEC 31 1993

18. I hereby certify that the foregoing is true and correct
