Title 18 U.S.C. Section 1001, makes it a crime for any person knowingly and willfully to make to any department or agency of the United States any false, fictitious or fraudulent statements or representations as to any matter within its jurisdiction.

We are currently doing an evaluation on recompleting several Lea Unit wells to the Delaware formation. NuTech Company is doing log analysis applying Nuclear Magnetic Resonance technology on older open hole logs on the Lea Unit #5 and #7. At this time we do not know which of these wells will be recompleted first. Our proposed schedule allows for completion and evaluation of each well prior to recompleting the next well.

1<sup>st</sup> Well – (Either Lea Unit #5 or #7) Recomplete by 9/15/01.

2<sup>nd</sup> Well – (Either Lea Unit #5 or #7) Recomplete by 12/15/01.

3<sup>rd</sup> Well – Lea Unit #3 Recomplete by 3/15/02.
