Re: D&E Federal #1-N
Section 22, T20S, R34E

Dear Mr. Goza:

Your intention to deepen and convert the above-referenced well to a disposal well has been received.

The Oil Conservation Division does issue the disposal order, and will monitor the operation of the disposal well, but your intention to deepen and complete this well should be filed with the Bureau of Land Management in Carlsbad, New Mexico, since it is located on a "federal" lease.

We have reviewed your intention and have marked it "For Record Only".

Very truly yours,

OIL CONSERVATION DIVISION

Jerry Sexton
Supervisor, District I
