PRODUCING FORMATION
B. V. LYNCH (a) #1
SECTION 34-203-34E

Mr. A. L. Porter, Jr.
Proration Manager
Oil Conservation Commission
Hobbs, New Mexico

Dear Mr. Porter:

As requested in your letter of September 24, 1953 we are providing producing formation for subject well, which will be Yates Sand. This information has been entered on our Form C-104.

We regret any inconvenience this may have caused your office, and in the future producing formations will be shown on Form C-104.

Yours very truly,

THE TEXAS COMPANY
