RE: Cancellation of Intent to Re-Enter
West Pearl Queen Unit
#123-P, 28-19-35
API # 30-025-03230

Gentlemen:

Six months or more have elapsed since Division Form C-101 Notice of Re-enter, for the subject well was approved. To date no progress reports, C-103, have been received. Therefore, approval of your permit to re-enter this well has now expired and no drilling operations are to be initiated without further notice to and approval by the Oil Conservation Division. Pending such approval, this will be considered a cancelled intent to re-enter.

Very truly yours,

OIL CONSERVATION DIVISION
