REMARKS: As required by Oil Conservation Commission Order R 553. Gas vented from completion of well, February 18, 1956, to taking of casinghead gas by Warren Petroleum Corporation May 25, 1956. Gas connection has been now made. Warren would not take the gas until and unless we laid a line to their system. This was done. Contract completed.

The undersigned certifies that the Rules and Regulations of the Oil Conservation Commission have been complied with.  
Executed this the 26 day of June, 1956.
