Gentlemen:

A review of the records for your Weir 2 23-19-36
in the Monument Lease Well No. S.T.R.
Pool, which has a Gas Oil Ratio in excess
of 100,000-1, indicates that this well should remain in the Monument
Oil pool. The Gas Oil Ratio limit in this Pool is 3,000, which
means that gas production cannot exceed top allowable for the pool multiplied
by the Gas Oil Ratio limit for the pool.

Yours very truly,

OIL CONSERVATION COMMISSION
