Mr. S. J. Stanley,  
Engineer District 1,  
New Mexico Oil Conservation Commission,  
Hobbs, New Mexico.

Dear Sir:

We are enclosing, in quadruplicate, Form C-110 authorizing Permian Basin Pipe Line Company to transport 100% of the gas allowable for our J. L. Barr No. 2 gas well, Eumont Gas Pool, Lea County, New Mexico. Also enclosed, in duplicate, is Gas Well Plat Form showing the 160.44 acre unit for the well as approved May 27, 1954 by Order No. R-453, Case 663.

Form C-104, Request for Gas Allowable, is being forwarded to you today by our area office requesting that this well be assigned an allowable.

Yours very truly,

*L. R. Barineau*
