9-17-54

Gentlemen:

A review of the records for your State A-26 2 26-19-36  
in the Monument Lease Well No. S.T.R.  
Pool, which has a Gas Oil Ratio in excess  
of 100,000-1, indicates that this well should remain in the Monument  
Oil pool. The Gas Oil Ratio limit in this Pool is 3,000, which  
means that gas production cannot exceed top allowable for the pool multiplied  
by the Gas Oil Ratio limit for the pool.

Yours very truly,

OIL CONSERVATION COMMISSION
