Mr. Fred Turner Jr.,
Midland, Texas

Dear Sir:

This will acknowledge receipt of your request for a supply of drilling forms and a book of rules of the Oil Conservation Commission.

I am asking the Santa Fe office to comply with your request and also send you a form of bond that will be acceptable, as it is necessary to file a proper bond with the Oil Conservation Commission before drilling operations can begin.

Kindly submit all drilling reports direct to me, but take up the matter of the bond with the Oil Conservation Commission, Santa Fe, New Mexico.

Very truly yours,

FJV:t

F. J. Vesely,
State Oil & Gas Inspector.
